

On behalf of the Orange Community Players Board of Directors, **thank you** for auditioning for our summer musical, The Music Man. Orange Community Players is a community theater dedicated to providing quality non-professional theatrical performances in Orange County. As an all-volunteer organization we could not make these shows happen without YOUR help and we appreciate you coming out to audition.

OCP strives to bring together casts, crews, and production teams that reflect the rich diversity of our community. To promote an inclusive environment and provide opportunities for a wider array of people, casting decisions may include non-traditional choices in terms of gender, race, or other attributes.
